

AGA | Architectural Glass & Aluminium

Allow Us To Build Your Dream – As If It Were Our Own

Long-lasting and affordable – there's a reason why Aluminium Doors and Windows are the preferred favorite for many homeowners, developers and architects. At AGA, we have a variety of Aluminium products to suit your needs, as well as an experienced team of professional Installers.

Industry Experience

AGA provides certified quality product to the architectural industry together with services that exceeds Customer expectations. The company enjoys membership of the Association of Architectural Aluminium manufactures of south Africa (AAAMSA) and the south African glass and glazing association (SAGGA).

This ensures that our products meet all building regulations in terms of glazing and deflection. We also comply with the code of ethics and high manufacturing requirements which are laid down by AAAMSA. We only use aluminium of the highest quality. To ensure that industry standards are upheld, and professional quality and service and products are delivered to the end user.

AGA a professional and quality driven facade solution company founded in 2012 and set itself out to be a preferred facade solution company to the domestic and commercial market. The company is a member of South African Glass and Glazing Association. All systems manufactured and installed has been tested and certified according to SANS 613; SANS10400-XA and SANS10400-N.
